

WELCOME BACK!

All of us here at The Attic Cellar Treatment Rooms are so happy that we are once again able to offer you some of our great treatments albeit in a completely different way! Please be assured that our main concern for you and ourselves is safety, safety, safety!!! Here are a few things to consider when coming back into the Centre during the Covid 19 pandemic.

- ❖ On your first appointment we request that you arrive 5 minutes early and you will be met at the front door. Please try to not arrive late for your appointment as we are staggering clients times as to avoid unnecessary interaction within the centre.
- ❖ When you arrive you will be asked Covid 19 related questions and asked to sign a consent form for treatment, please bring your own pen. You will also have your temperature taken using a digital thermometer.
- ❖ For some treatments you will be asked to wear a mask and/or gloves where appropriate.
- ❖ We will ask you to wash and sanitise your hands and you will be led to your treatment room by your practitioner.
- ❖ When your treatment is at end you will again be asked to wash and sanitise your hands before leaving the building.
- ❖ If at all possible, we would prefer card transactions for payment, but we will accept cash.
- ❖ Drinking water is available, but when possible, please bring your own bottle of water.
- ❖ On the day of your appointment, if you at any time begin to feel unwell (No matter the cause) please phone us immediately to cancel. You will not be charged a cancellation fee for feeling unwell!

As we all know, staying safe and protecting ourselves from contracting Covid 19 is taking away our ability to be spontaneous and conducting our leisure choices in the way we have been used to, but please remember that things will return to normal eventually and we will be able to return to a more relaxing less structured way of having treatments. For now, help us to keep you safe by practicing social distancing and abiding by the requests and guidance of your practitioner.

Most importantly, Welcome back to The Attic Cellar Treatment Rooms! We're so happy to see you again!
